

# COMPUTER REPAIR AUTHORIZATION AND SERVICE TICKET

Modern work-order format - customer authorization, device intake, and repair terms

Sample only. This form uses fictional company, customer, device, and pricing details.

| Ticket Field         | Completed Sample Entry                                                                    |
|----------------------|-------------------------------------------------------------------------------------------|
| Service Provider     | Byte Harbor Repair Co.                                                                    |
| Provider Address     | 725 Bay Street, Unit 6, San Diego, CA 92101                                               |
| Customer             | Olivia Morgan                                                                             |
| Customer Contact     | olivia.morgan@example.test   (619) 555-0160                                               |
| Device               | Lenovo ThinkPad T14 Gen 3 laptop                                                          |
| Serial Number        | PF-3KX91A7                                                                                |
| Accessories Received | 65W USB-C charger and black sleeve                                                        |
| Reported Issue       | Laptop powers on but freezes after login; fan is loud; customer requests data protection. |
| Intake Date          | March 6, 2026                                                                             |

## 1. Customer Authorization

Customer authorizes Byte Harbor Repair Co. to inspect, diagnose, open, test, repair, update, clean, and configure the device described above. Customer also authorizes Provider to install temporary diagnostic or security tools when reasonably necessary. Temporary tools will be removed when service is completed, if practical.

## 2. Initial Estimate

| Item                      | Amount       | Notes                                                       |
|---------------------------|--------------|-------------------------------------------------------------|
| Diagnostic fee            | \$45.00      | Applied toward repair if approved                           |
| Standard labor            | \$80.00/hour | Billed in 15-minute increments after first hour             |
| Estimated labor           | 1.5 hours    | \$120.00 estimate; final cost may vary                      |
| Replacement SSD if needed | \$95.00      | Customer approval required before purchase                  |
| Maximum approved amount   | \$250.00     | Provider must contact Customer before exceeding this amount |

## 3. Data and Backup Notice

Customer understands that repair work may involve risk of data loss. Customer states that important files have been backed up before service, or Customer accepts the risk of data loss. Provider is not responsible for lost, damaged, corrupted, deleted, encrypted, or unrecoverable files unless caused by intentional misconduct.

## 4. Repair Process

- Provider will perform an initial diagnostic review and notify Customer of findings.
- If parts or additional labor are needed, Provider will request approval before continuing beyond the maximum approved amount.
- If Customer cannot be reached, Provider may pause work until Customer responds.
- If the device cannot be repaired economically, Provider may recommend replacement or data recovery options.

## 5. Payment and Pickup

Full payment is due when service is completed and before the device is released. Accepted payment methods are cash, card, bank transfer, or approved business check. Devices not picked up within forty-five days after completion notice may be treated as abandoned to the extent permitted by law.

## 6. Service Guarantee

Labor is guaranteed for ten calendar days for the same issue originally repaired. The guarantee does not cover new problems, malware reinfection, liquid damage, physical damage, failing hardware, third-party software changes, user modifications, or data loss. Parts are subject to manufacturer warranty only.

## 7. Liability Limitation

Provider is not liable for loss of data, loss of use, lost income, lost business, consequential damages, pre-existing defects, or failure of third-party parts or software. Provider total liability shall not exceed the amount paid for the service ticket.

## 8. Customer Approval

| Approval Item                                                               | Customer Initials |
|-----------------------------------------------------------------------------|-------------------|
| I authorize diagnostic inspection and testing.                              | OM                |
| I understand that data loss may occur and that I am responsible for backup. | OM                |
| I approve work up to the maximum approved amount listed above.              | OM                |
| I understand that estimates are not guaranteed.                             | OM                |

## 9. Signature

| Customer Signature   | Provider Intake Signature |
|----------------------|---------------------------|
| Olivia Morgan: _____ | Ryan Hale: _____          |
| Date: March 6, 2026  | Date: March 6, 2026       |
